BOARD OF EDUCATION FOR THE BOROUGH OF YORK

Mr. M. Crepp, Mr. H. Hill, Mr. R. Heard.

THE PRINCIPAL'S MESSAGE

1971 will be remembered as the year that Society recognized that an 18 year old individual is an adult. To many, this signifies merely the lowering of the drinking age.

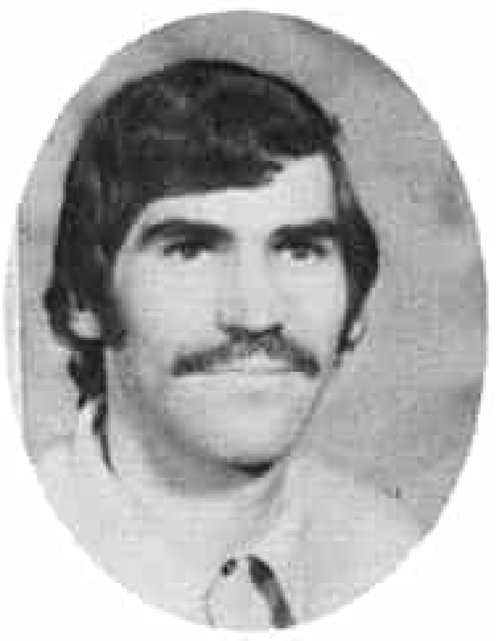

Becoming 18 opens up a much broader vista than drinking. The freedom of decision making is now yours to assume along with the responsibility that goes hand in hand with this freedom. But the freedom that Society has bequeathed upon you can be very illusory unless preparations are made to accept the challenge.

I offer you such a challenge. Accept the increasing academic freedom being offered to you; take an active part in school activities; participate in our extra-curricular programs which are administered by students. Participation in school affairs can stimulate the growth essential to meet the demands of our society.

Freedom requires a self-discipline wrought by experience, a goal tempered by judgement, otherwise freedom is a meaningless sham that can only lead to disillusionment and cynicism.

shades of gray

i believe in nothing
for everything i believed in let me down

i believed in my family
and it dissolved around me

i believed in God
but God had no belief in me

i believed in friends
but they're all gone away

i believed in what can't get worse must get better
but there are always new depths to discover

i believed in love
but he didn't want me.

i believed in building together
but found only destruction

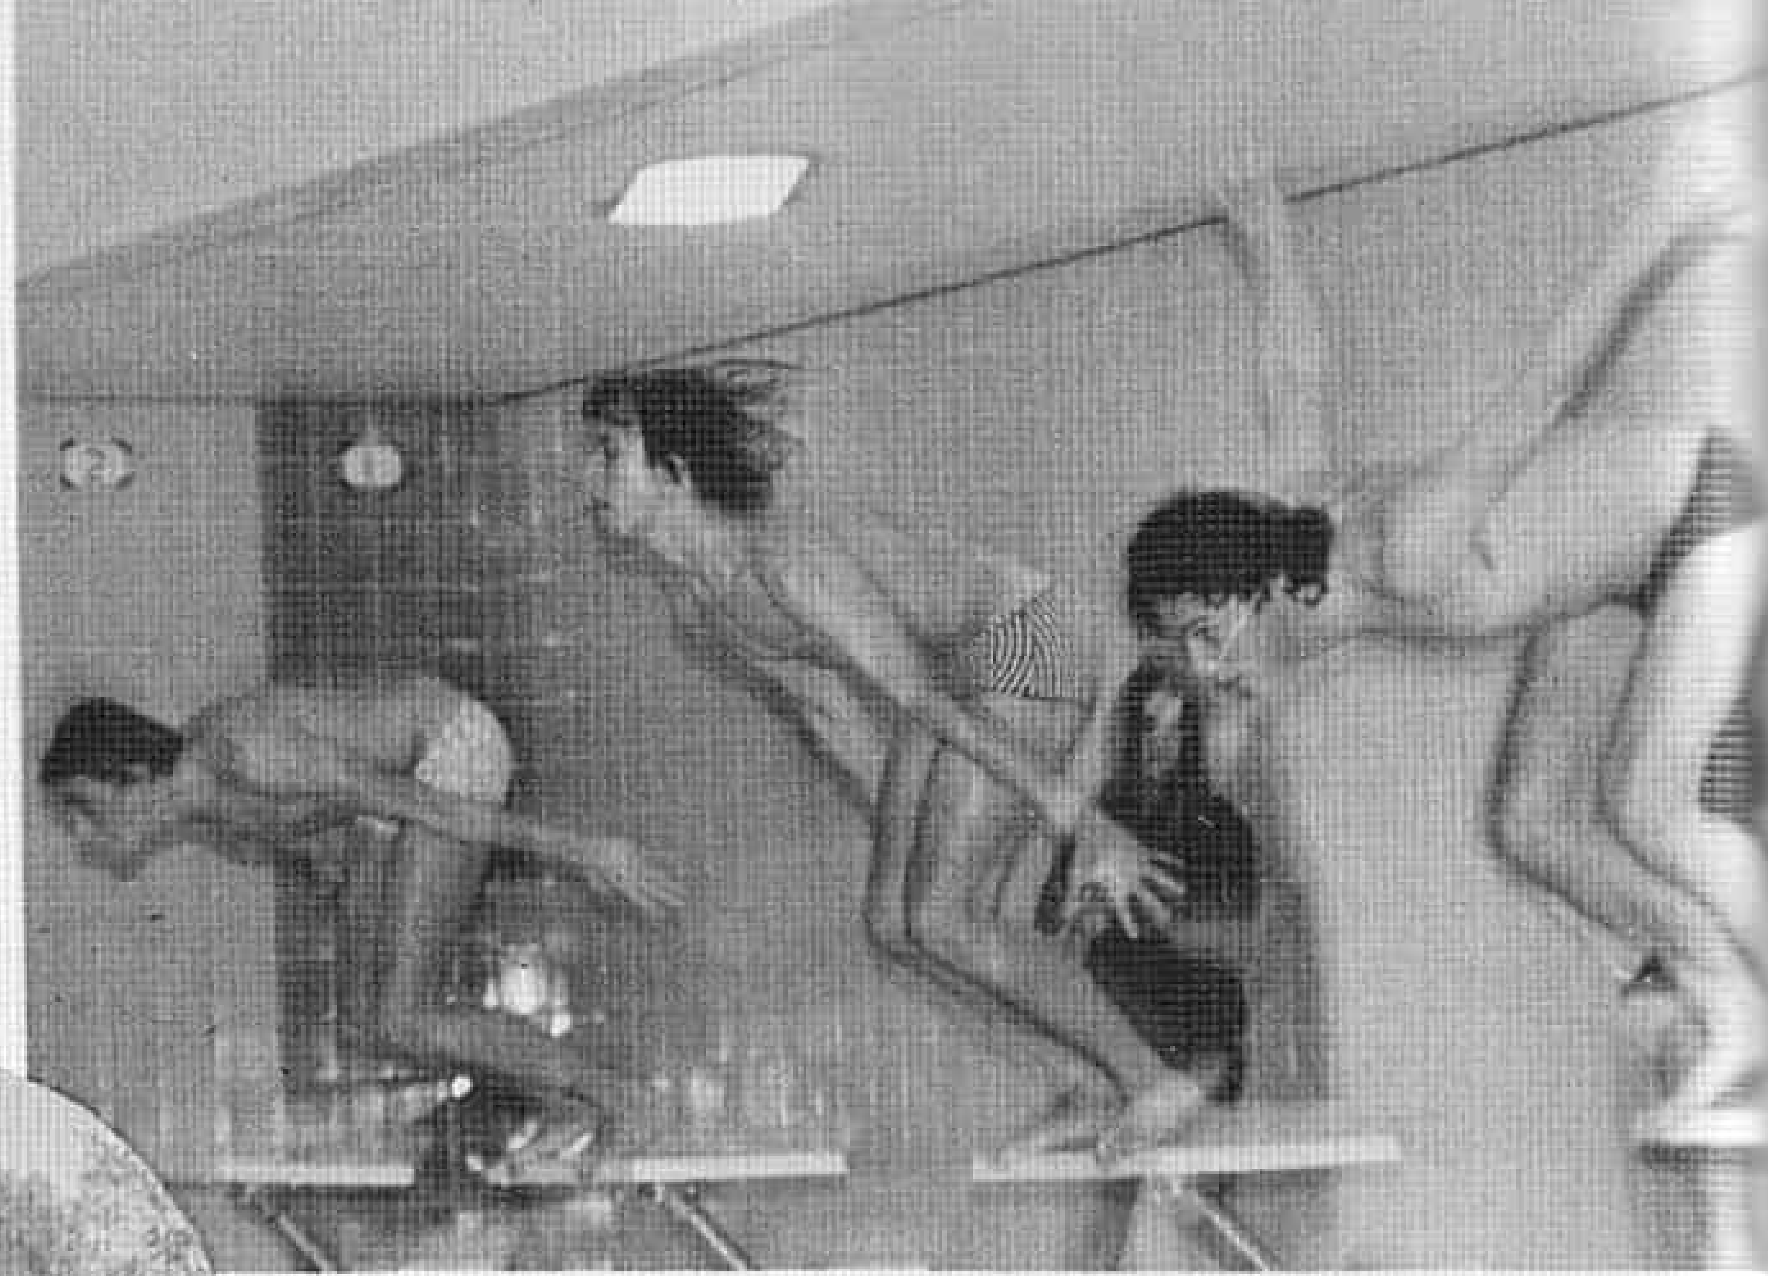

i believed in freedom
and never knew what it was

i believed in everlasting peace within
but found only inner conflict

i believed in truth
and found only shades of gray

Our Cross-country team had a successful season competing in three meets. The first and second were invitational conducted by York Humber.

The first was a tri-meet and the Weston team took the honours. Steve Meeks won the bantam one and one-half mile run and Phil Reed won the junior two miles.

Five schools, including Weston, were invited to the second meet. Weston again placed first overall. Phil Reed was the only individual winner, placing first in the junior two miles.

The most important meet, the Borough of York Championships, were held at High Park on October 18th. The bantam team consisting of Steve Meeks, Luchiano Iorfida, Bill Brockbank, Bud Irvan won the bantam team plaque. The Junior team of Phil Reed, Larry Funnell, Glen Kelly, John Harras placed third and the Senior team of Glen Gray, Jack Meek, Stan Kolanko, Dennis Paul placed second. Phil Reed was awarded the Junior individual trophy for placing first in the junior two miles.

The Cross-country team also held a Run-athon to raise money for United Appeal. Despite the fact they only had two days in which to solicite sponsors it turned out to be a great success.

CROSS COUNTRY

In the fall of this school year the girls started a training session for a cross-country meet with some of the schools in York. This race was about a mile long and took us out onto the sidewalk and through a field. We were fortunate enough to take the first three spots and we were all very proud of this.

Karen Clarke has been holding a training session on the third floor most nights after school for those interested. Karen is a good athlete and can help all of us to train in the right way. This may help us if we keep at it to be in better shape than the other schools in the track meets which will take place in May. In this meet there will be running, from sprints to about a mile, high jumping, broad jumping and shot-put. Even if you don't want to go in the events when the time comes the training will keep your body physically fit.

We wish the best of luck to those girls who will be participating in these events this year and will continue on to next year.

JUNIOR FOOTBALL

Our pre-season workouts went very well. By the time we started our season, we were in high spirits. The first game was not really a test of our real ability and the score was 30-0 in our favor against York Humber. Touchdowns were three for John Popofski, one for Mariano Pacheio and extra points were scored by McLennon; Thompson and Vince.

The second game proved to be a battle and our toughest of the year. Our opponents were East York. By half time it was one nothing in our favor on a single by Martini. The score ended up 13-12 on touchdowns by John Martini and Andy Vince.

In our game against Runnymede we played very poorly and lost 12-9. Our only major score was by Andy Vince with single by Walker. We came back very well in the game against Leaside and beat them 19-0 on touchdowns by Clarence Hood, Andy Vince and John Popofski with a single by Walker.

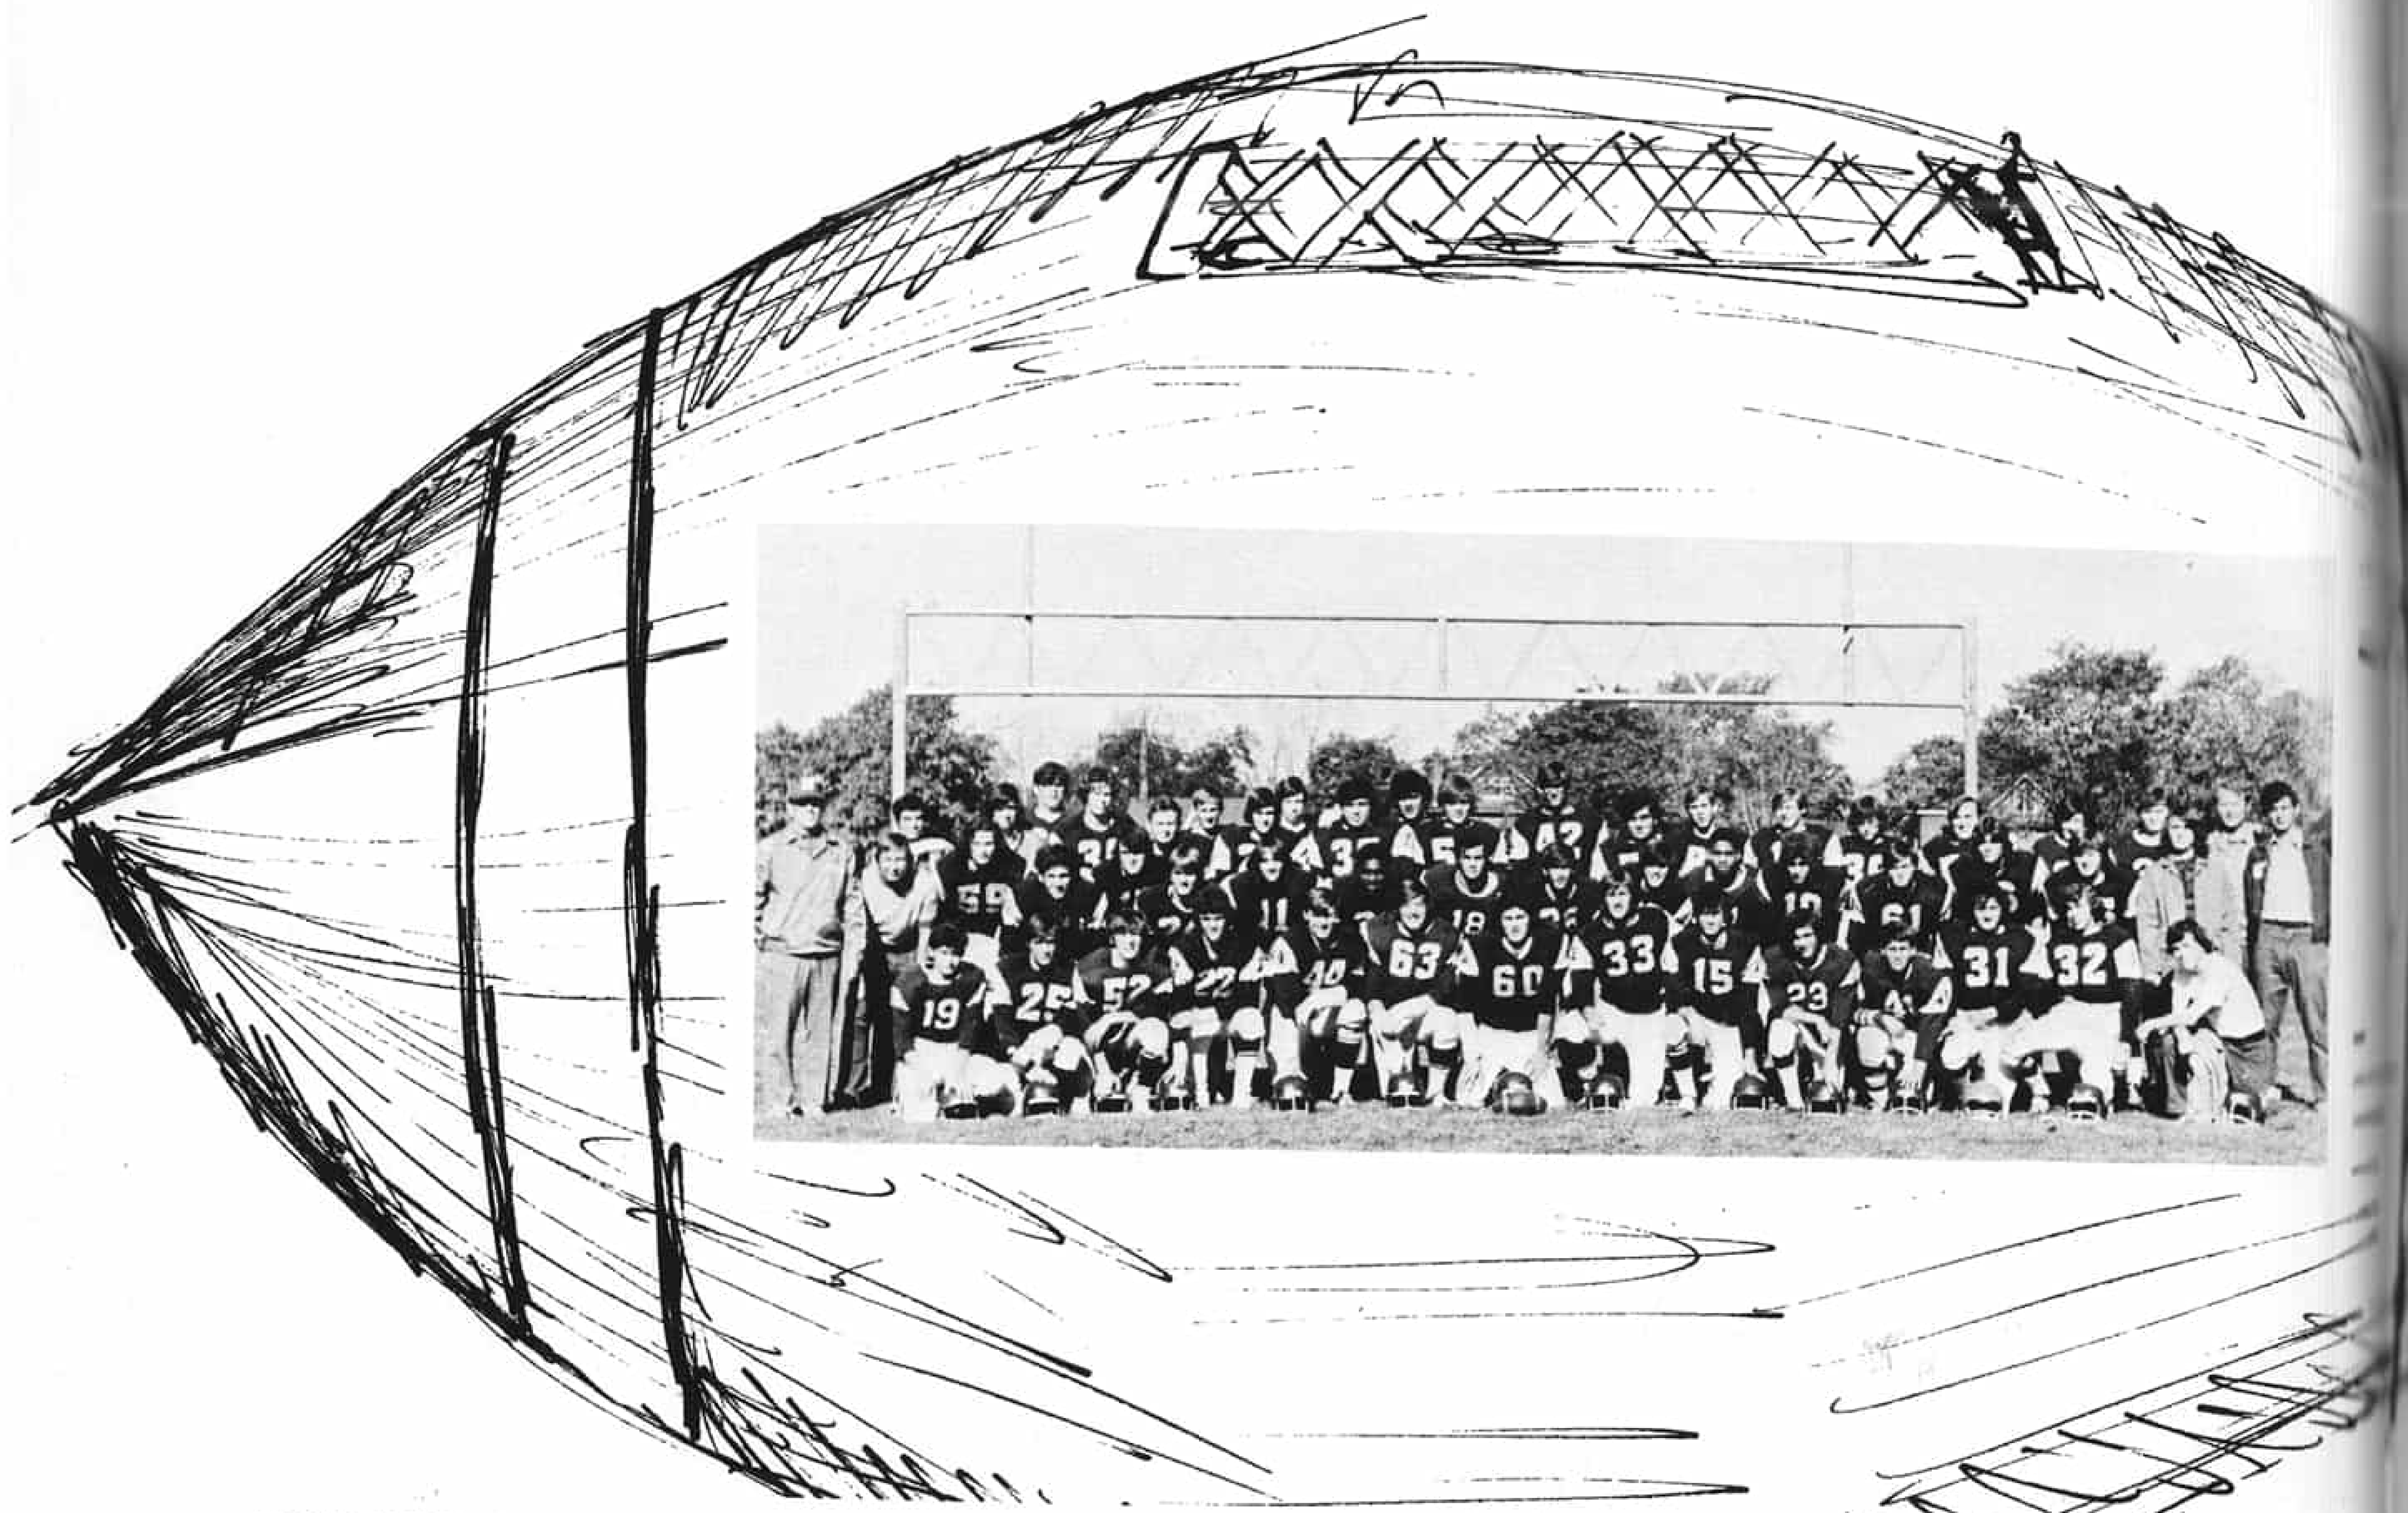

The fifth game was not played too well offensively, but very well defensively. Plays were made by Sergio Lancia, Bruce Boylen, Ian Young and the Hook brothers. We won 14-0 on majors by John Martini and Rob Thompson.

In our sixth game, we played to our full potential and beat York Memo, 46-1. Majors were scored by Andy Vince who had three, John Popofski two, Martini one, and Ian Young who intercepted a pass for a touchdown.

George Harvey was our first game on our new field. This proved to be our advantage. We won the game 40-0. Both Bob Thompson and John Popofski threw touchdown passes. Majors were scored by John Popofski and Andy Vince with two and John Hooper with one.

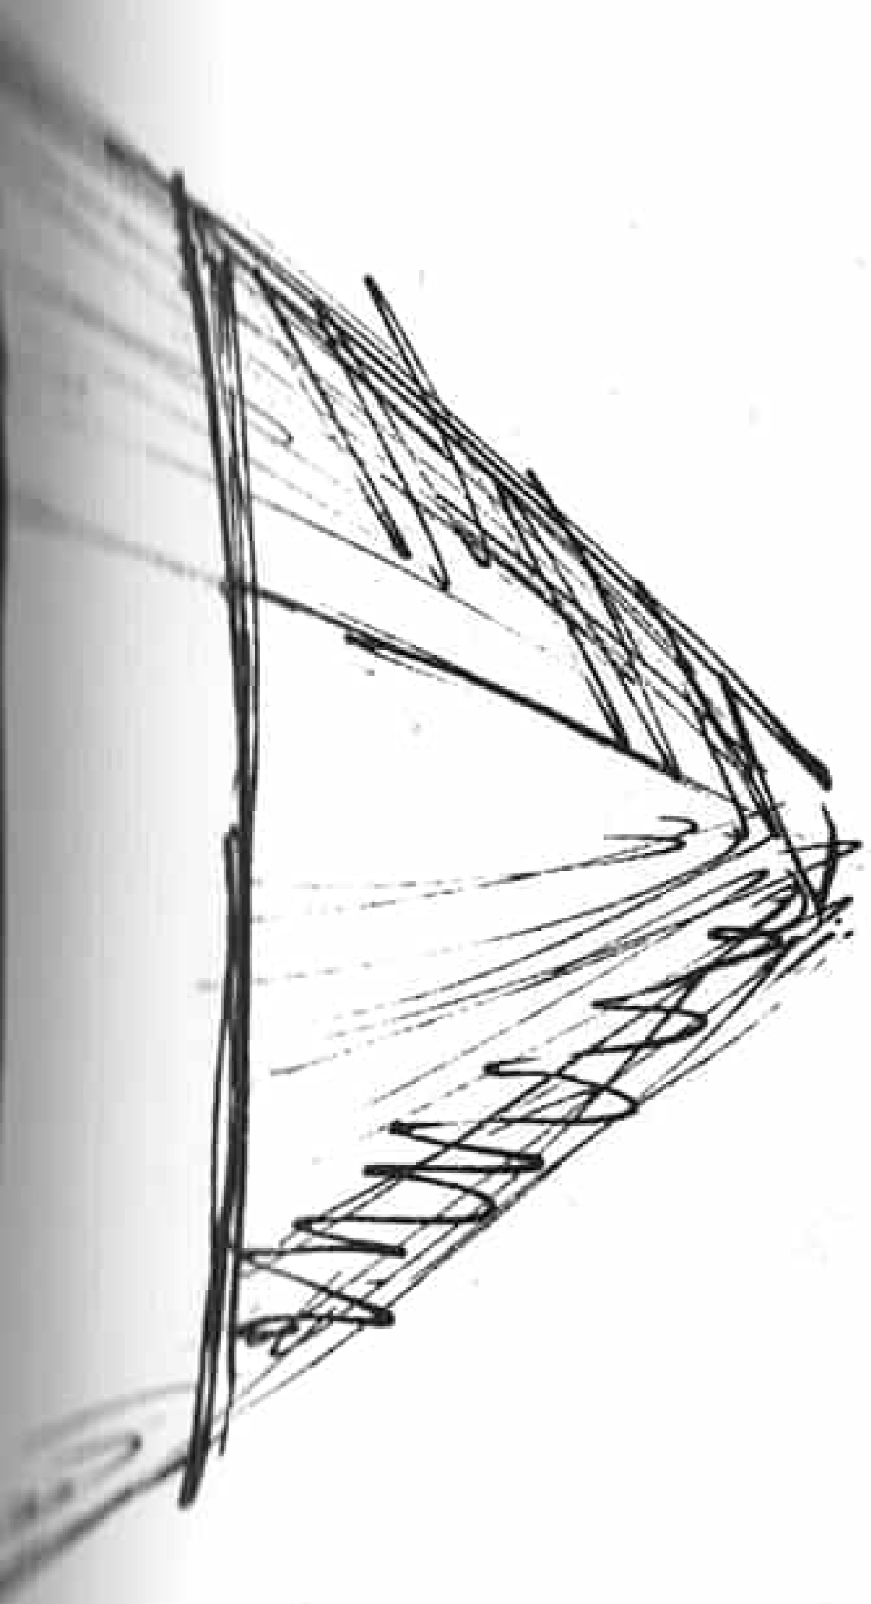

Our first game of the playoffs was played at night against Vaughn Road. We won the game 20-2 with touchdown going to Clarence Hood who had two and John Martini with one. Extra points were made by Martini.

The final game was a bit of a disaster. At the end of the first half, we were leading 8-6 on a touchdown by John Martini and a two point conversion by Andy Vince. In the second half, Martini received a concussion and was out for the rest of the game. We then seemed to fall apart and were beaten 29-8.

Co-Captains Fred Pariselli; Bill Gigliozzi and Paul Swerla led the Ironmen through drills and warmups this '71 season. Special assistant coach Robert the Rainford now a student at York University applied his considerable Weston football experience to the team. Unfortunately this was not a successful season on the scoreboard. Glen "2 point" Corbett scored our only points against York Memorial on an "in again out again" punt and punt return play.

The offense did not generate much threat to the opposition. They did try extremely hard, but they just couldn't get it together. The defensive unit led primarily by Jim Pettie, Glen Wilcox and Victor "the Mean" Zalnieriunas held the opposition well each game until they became exhausted due to playing most of the game.

With the addition of some strong Juniors and the return of many experienced players, the senior team should be tough next year.

SWIM TEAMS

FRONT ROW: Gail Seckington; Debbie Watkins; Sheryl Fossett; Judy Cooling; Jennifer McKay; Jan Brown. SECOND ROW: Mr. Coutts; Vida Zalnieriunas; Janet Hill; Jackie Lawson; Norma Fry; Carolyn Tait; Marian Van Bolhuis; Mr. Nicholls. BACK ROW: Karen Clarke; Maryanne Rippington; Sue Wardrope; Stephanie Britton; Debbie Wardrope; Mary Rientsma; Cathy Willoughby; Diane Wardrope. ABSENT: Cathy Parsons; Maryanne Bloomfield; Maryanne Eyres.

Last year was the first year in our new school and our new swimming pool. This year they've added three new pieces of necessary equipment; the hairdryers for the girl's change room, Brian, our astute lifeguard, and last but not least, Mr. Coutts. Last year with Mr. Nicholls, our girls finished third in the T.D.I.A.A. swim meet, beating out teams who had pools for years. But this year Mr. Nicholls teamed up with Mr. Coutts and his "pull buoys' and paddles" and Weston came up with a second place! Leaside was the team that placed first and even they had help from some of their girls, who just happened to represent Ontario in the Canada Games out West. Another amazing tidbit to tantalize your tastebuds (that's alliteration) is that in adding up the points to win, they included diving competitions and a synchronized swimming team. Weston placed overall in second place — even though we had no syncro team. Our divers did well. Diane Wardrope and Judy Cooling were Weston's divers and Judy Cooling placed second, being beaten only by an Ontario champion.

We had another swim meet against York Memorial at our pool. This meet was very close with our team beating theirs by only three points. The girls swam hard and ended up breaking many individual and relay records from last year. Marion Van Bolhuis, whom we all know by the flippers that she must wear for speed, set two individual records plus two relay records. Sheryl Fossett, known for her fancy embroidery on her bathing suit, and Cathy Willoughby, who can be heard saying, "But I am working sir. I only stopped to rest!", set one individual record plus two relay records each.

Mary Lou Redfern set one individual record swimming eight lengths of our pool in just over 2½ minutes. Judy Cooling was found down in Florida one weekend trying to compete against Flipper. She came back to Weston and set her own record.

All together there were twelve records set this year by the girls' swim team.

On November 3, seventy-two swimmers began tryouts for '71-'72 Boys' swim team, and by our Blue and White meet, December 17, that number had been reduced to our final team size of thirty. With the addition of several new swimmers, and the use of new training aids such as pull-buoys and hand paddles, old records began to tumble. This year our most prolific record setters were Bruce and Lloyd Bennett, and Rod Ernst with three individual each, and Scott Cameron with four. Scott also holds the title of being the fastest swimmer on our team.

Our swim team took part in five multi-school meets, (Boys') and five dual meets. We swam victories over Vaughan Road, Runnymede, and George Harvey, and lost to U.T.S. and York Memorial, who would go on to place second and third in the Toronto Championships. On February 17, we placed fourth out of seven schools in the York Swim Championships, the same position as last year even though we improved our times in every event! The competition had tightened up that much. Four of our swimmers qualified from there for the T.D.I.A.A. meet in the 200 free style relay: Tom Steenson, Larry Lapointe, Larry Funnell, and Bruce Bennett, where they improved on last year's record by over six seconds.

Weston was host to the Bantam York Swim Finals on February 25, with all schools in our league taking part. Our bantam boys turned on the power and displayed fine work by placing second. This leaves us in very good position for next year. Good Luck, guys!

MIDGET BASKETBALL

In regular season action the team was very unlucky at times, losing against East York, York Memorial and Leaside, by a total of only six points.

The team still made the "B" division playing against East York, George Harvey, and U.T.S.. They defeated East York by 4 points and U.T.S. by 35. But it wasn't enough as George Harvey defeated us in the last game.

Although we did not win the championship, the season was a very successful one and with one year of organized basketball behind them, the team is looking forward to next year with anticipation and enthusiasm.

Congratulations in a fine effort and special thanks to our managers Harold Clarke and Frank Cerullo for all their efforts.

GIRLS' SR. BASKETBALL

If you thought getting up to be at school for 8:30 was bad, have sympathy on these girls. Many were at school and ready to practise before 7:30. All that practise paid off because as it was, both of our basketball teams went to the semi-finals. Leaside was the only other school represented by both Juniors and Seniors.

The semi-finals were played as a two game total point series. Our Juniors played East York and were knocked out of the finals. The Seniors were matched against York Memorial and York Memorial won the first game by a twelve point margin, but Weston Seniors came back and defeated York Memo twenty-five to nine. The Senior girls then advanced to meet Leaside for the Championship, but their "guardian angel" must have been up at the "Hills" because Leaside took the series and the trophy two games to one!

FRONT ROW: Alex Nigro; Mark Ditta; Domano Maggiacomo; Fulvio Sansone; Kevin Wilson; Calvin Herbert. BACK ROW: Mr. Nadin; Earling Campos; Jim Berry; Bob Algar; Lou Pasquali; Tony Foscarin; Tony Dedonato; Bob Conforti; Mr. Clark. ABSENT: Manfred Kwitschau; John Martini.

JUNIOR BOYS

With only three players returning from last year's squad, the junior basketball team again fell on hard times. Under Mr. Coutts, the Juniors lost their first game to East York, 64-17. With Mr. Coutts wishing to concentrate on the Senior team, the Juniors were returned to Mr. Clark, who coached last year, and Mr. Nadin, who usually concentrates on Junior football.

After losing 74-30 to George Harvey, 62-30 to U.T.S., 79-30 to Vaughan Road and 51-26 to Runnymede, the Juniors came up with their best effort of the season when, after realignment, they dropped a heartbreaking 41-38 decision to Runnymede.

In the final game of the season, aided by some of the worst officiating in recent memory, U.T.S. overcame the Juniors 72-34.

SOCCER

Under the supervision of coach Earle Wright, with assistance from Peter Komlos, the team performed considerably well, despite its lack of experience. Last season in the Borough of York competition the team had a record of 1 win, 4 ties, and 5 losses. This was not enough to gain a play-off spot, but we came third in our division. Pete Tokar was voted the most valuable player to the team. Pat Fillipelli won the award for scoring most goals. Tony Deluca was our best defenceman. It was an enjoyable first season which ended on a high note with a party at Mr. Wright's. Mr. Komlos was in fine dancing form.

In September the team worked hard for a tournament which was held in Newmarket on October 26th. We beat Parry Sound High 4-0, and Burford High 1-0, to reach the finals of our division. Unfortunately, we lost in sudden-death overtime to Leaside by a score of 2-1.

VOLLEYBALL

Senior Girls enjoyed an exciting season, winning three out of four league games and advanced to the semi-finals. Despite our loss at the semi-finals, we do have the satisfaction of having won the winning team during league play.

Team Captain Diane Wardrope contributed some super serves and powerful spikes and often was lucky enough to draw first serve for the team. We all learned a lot from Ruth, who without a doubt was the outstanding player. We must not forget Myra's net-skimming serves, nor the midgets—Debbie, always audible, always undauntable and even spiking with some success and Linda, often on the floor (it is closer for her) with some fantastic recoveries. Then there was Janet, blowing kisses to one and all and always wondering whether to serve over or under hand; and Vida, cool and collected with some fantastic volleys and serves. Gail, our first blocker, surprising herself and the opposing team with her blocks; Anne quick and light, always setting for spikes; Elaine our one-handed marvel (they shouldn't have gone over—but they did!!); Jackie consistent with her low serves and Mary-Lou—watch those wheaties!

Our thanks go to Manfred—who was always there to set the game into action or substitute for missing players and he never lost his cool! Greg also deserves our thanks, catching those line violations, managing playing with the team.

Our coach, Miss Kahro—certainly became a broken record "Every serve counts!"—yes, even the ones she missed.

The Juniors had to work a little harder and managed to win four of their seven games but as it was, it wasn't good enough to advance to the semi-finals.

The whole team put forth a valiant effort however, with Judy Dobson and Marg McGunnigle displaying outstanding moves.

FRONT ROW: Greg Cox; Marylou Mayhew; Anne Ryan; Debbie Fascione; Diane Wardrope; Linda Grabham; Vida Zalnieriunas; Miss Kahro. BACK ROW: Manfried Goetz; Janet Hill; Myra Favret; Jackie Pothier; Gail Seckington; Elena Tondat; Ruth Fuhrmann.

GIRLS' BADMINTON

Last year we did extremely well and even brought back the silverware displayed in the gym office. Even though the tourney hasn't started yet, Weston is sure to do as well or even better than last year.

FRONT ROW: Janet Hill; Debbie Fascione; Mara Christo; Marg McGunnigle; Sandy Davis; Nancy Little; Maryann Rippington. BACK ROW: Mr. Smith; Marylou Mayhew; Diane Wardrope; Cathy Archer; Audrey Dobis; Gail Seckington; Debbie Wardrope; Vida Zalnierunas; Linda Walker; Kathy Savich; Ruth Fuhrmann; Anne Ryan.

BACK ROW: Peter Tokar; John Hooper; George Cowie; Danny Walker; Bruce Bennett. ABSENT: Dave Brennan; Julius Troll; Ian Young; Rick McCloskey.

Another successful year has passed for the school hockey team even though a few changes were made on the team. With inexperienced players and players in new positions the team started the year extremely successfully. They opened the season with a big win over George Harvey, beating them 4-2, but then slumped to a 4-4 tie with the Leaside Lancers. The team then roared into first place with five straight victories starting with a 6-2 win over Runnymede; a 7-4 win over York Memorial; an 8-3 victory over George Harvey; a 4-3 squeaker over U.T.S. and finally a 12-3 romp over Runnymede. After flying through the first seven games and holding first place with a 6-0-1 record the Christmas holidays came which was the downfall of the team. After the holidays Mimico defeated Weston 6-3, York Memorial got revenge with a 7-1 victory and East York humiliated the team 8-1. An exhibition game against Western Tech reorganized the team but they still lost 4-3.

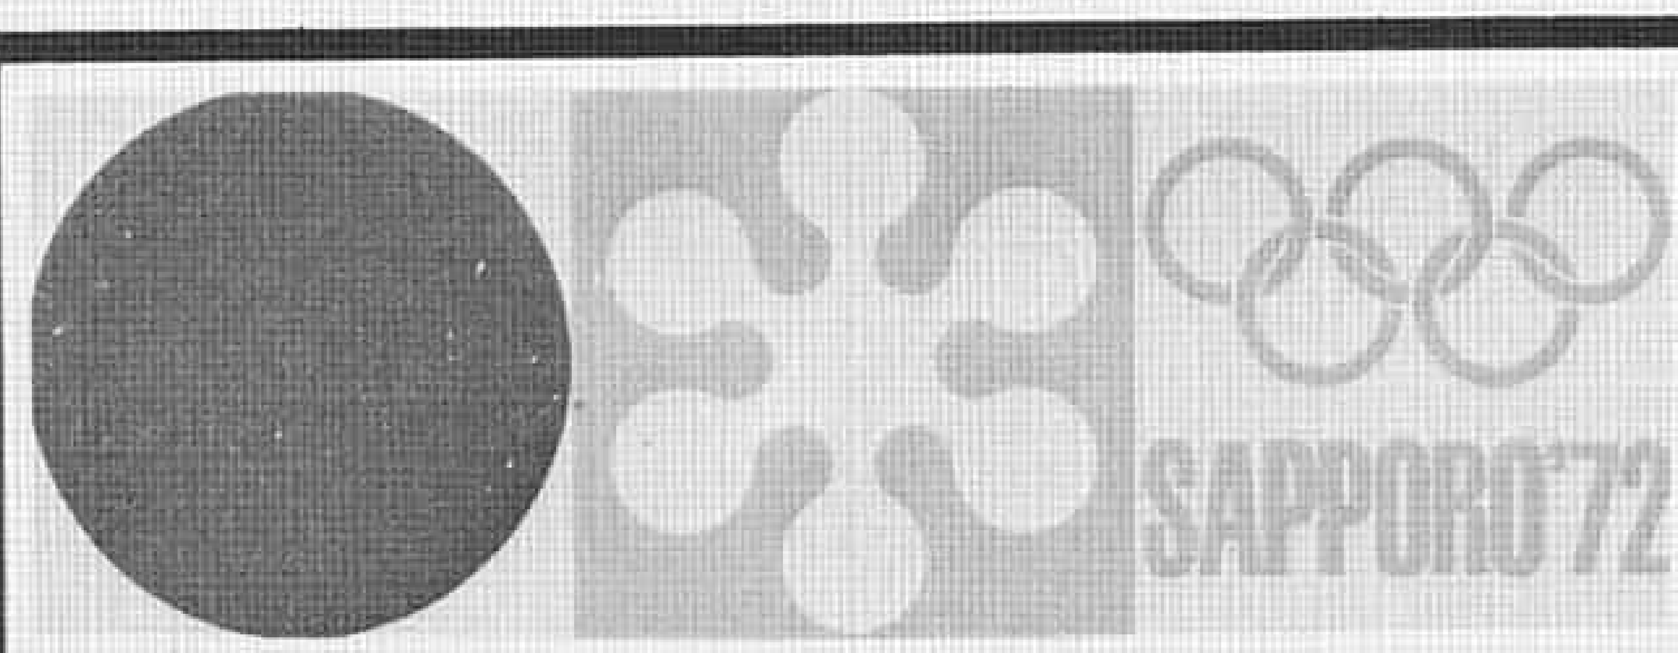

The team however finished second and played George Harvey in a two game total goal series. Harvey led 3-1 after the first game but Weston won the second game 6-2 and the series 8-5. Against East York the team played well but lost the opening game 5-2 and the second game 3-1 and the series 8-3. That was the end of the season for the school team.

The players with an abundance of talent were only lacking experience. Wayne Webb, George Cowie, Rick McCloskey, Wayne Duggan, Greg Laverne and Dave Brennon were all rookies. Bruce Bennett, Ted Woods, Dan Walker, Andy Vince, Julius Troll and Ian Young were all in their second year. Only Matt Stewart, Pete Tokar and Mike Whalen were on the team more than two years.

However both Dan Walker and Andy Vince are prolific goal scorers and both were among the leagues leading scorers. Dave Brennan was one of the top rookies and scored a hat trick in his second game as a regular. The defence pairs of Ted Woods, Bruce Bennett, Matt Stewart and Pete Tokar kept opposition forwards on their toes. The hustle line of Mike Whalen, Wayne Duggan and Ian Young were continually a thorn in the opposition sides. The goalies Bill Shumka and Gerry Bloomfield were great and succeeded in keeping most of the pucks out of the net.

The coaches Mr. Thompson and Mr. Both who were responsible for molding the team together will have a fine team for the next few seasons. Dave Edwards the manager, kept the team refreshed with both water and sugar and was continually a big help for the team.

Next season lets hope the team goes all the way to the championship.

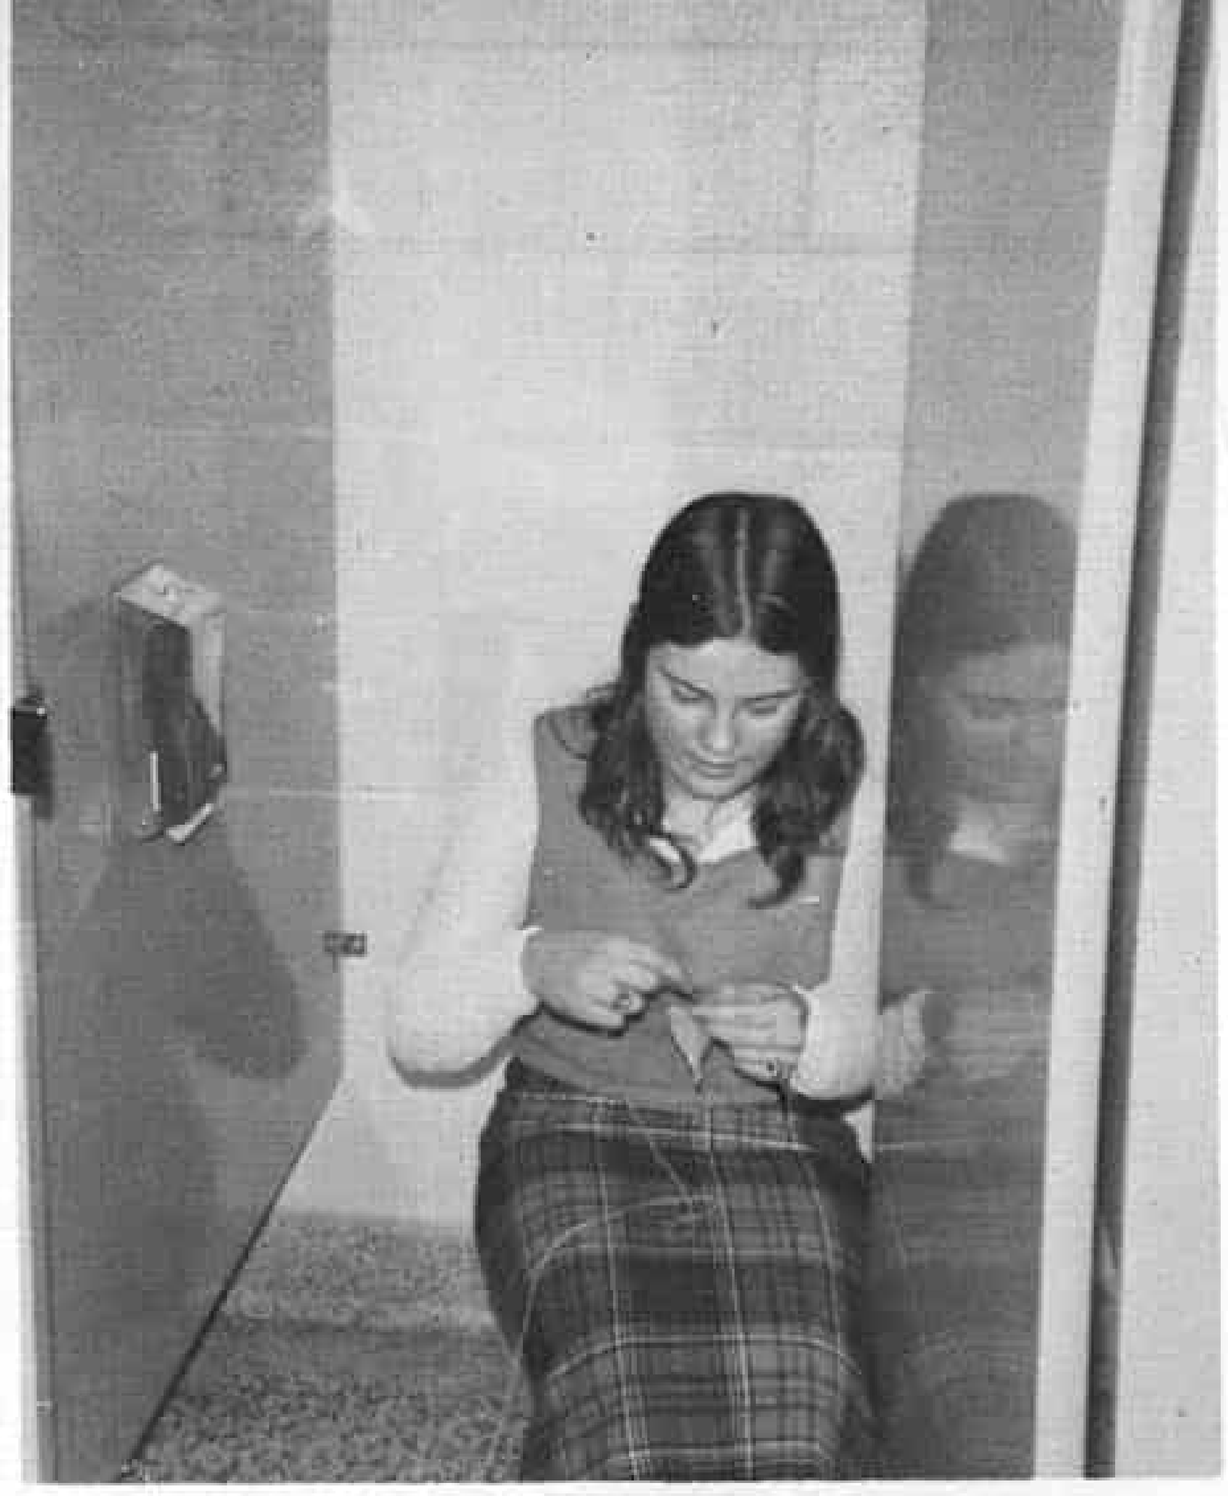

The curtain rose on the 11th Olympic Winter Games at Sapporo, Japan with the Opening Ceremonies on the 3rd of February, 1972. Weston Collegiate was represented at these games by a member of the staff, Mr. Bob Nadin. Mr. Nadin was selected by the C.A.H.A. as the only Canadian Hockey referee for the Olympic Games.

Mr. Nadin refereed eight of the hockey games in the "A" division. He refereed 2 games with Russia and 3 games involving Czechoslovakia and the United States, and was selected as the top referee in the tournament.

During his stay at Sapporo, Mr. Nadin and the other twelve referees were housed in apartment building inside the Olympic compound along with the athletes and other officials.

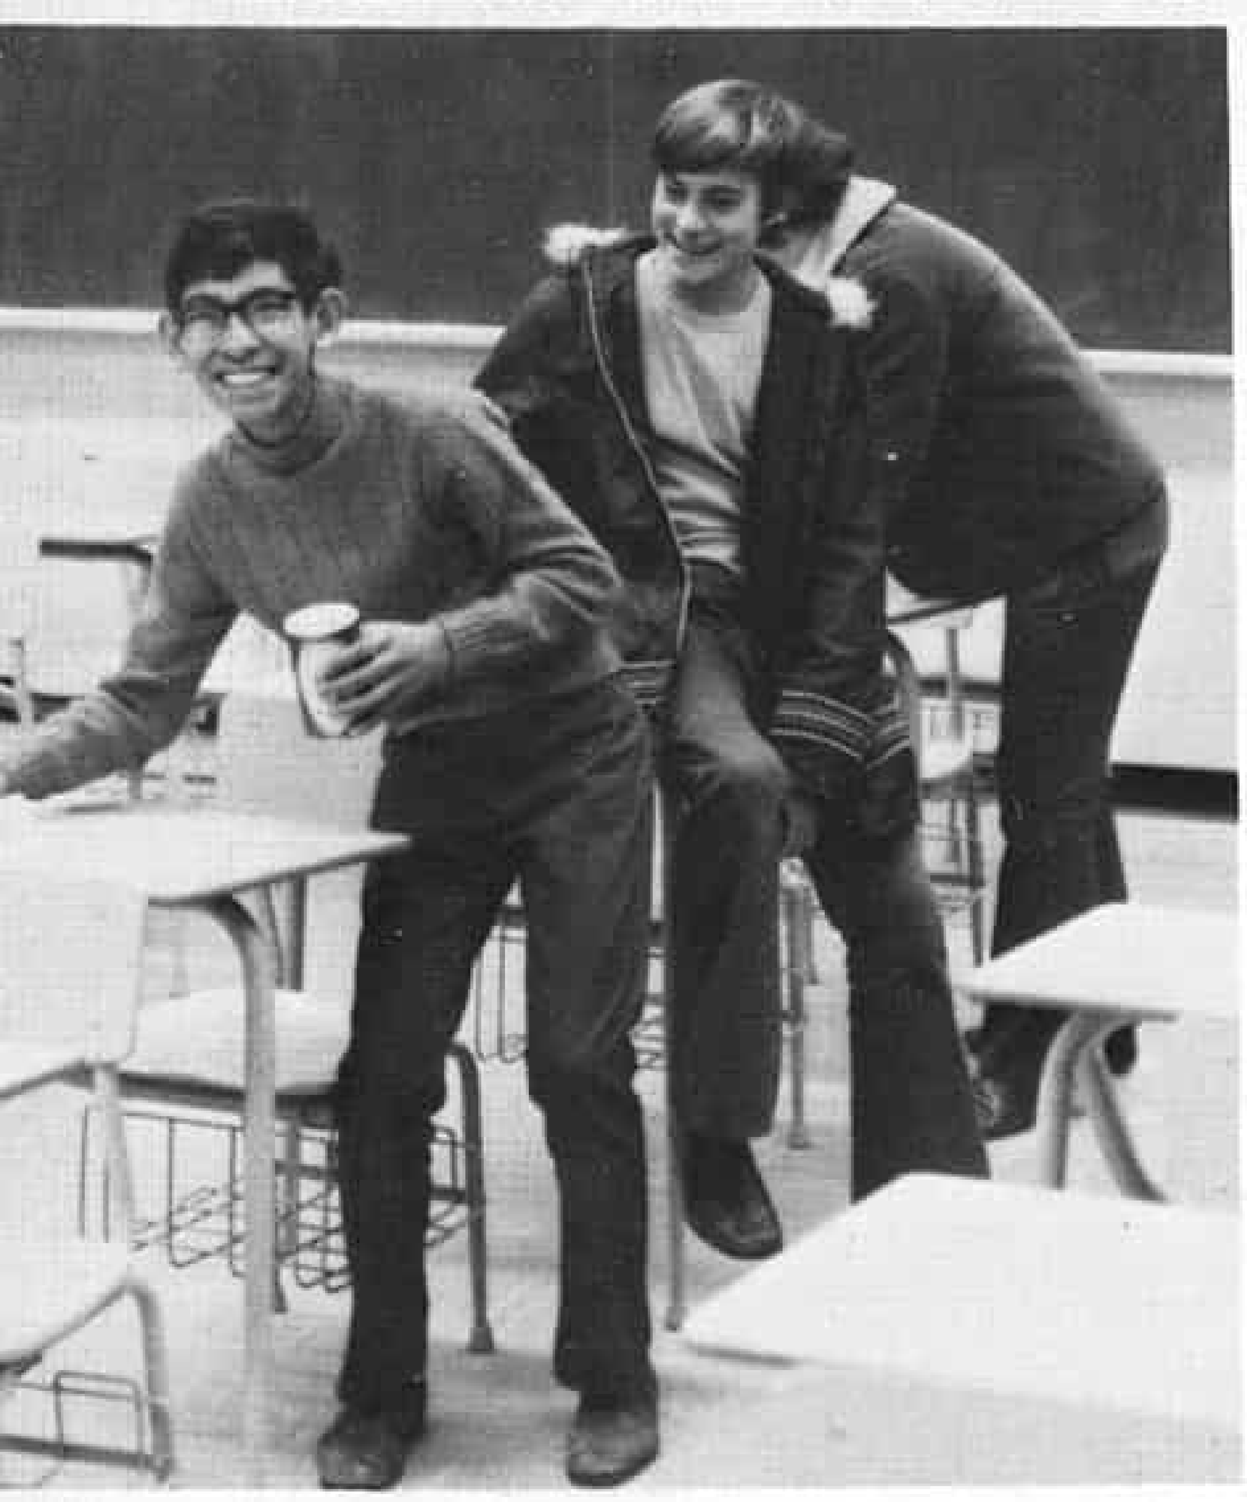

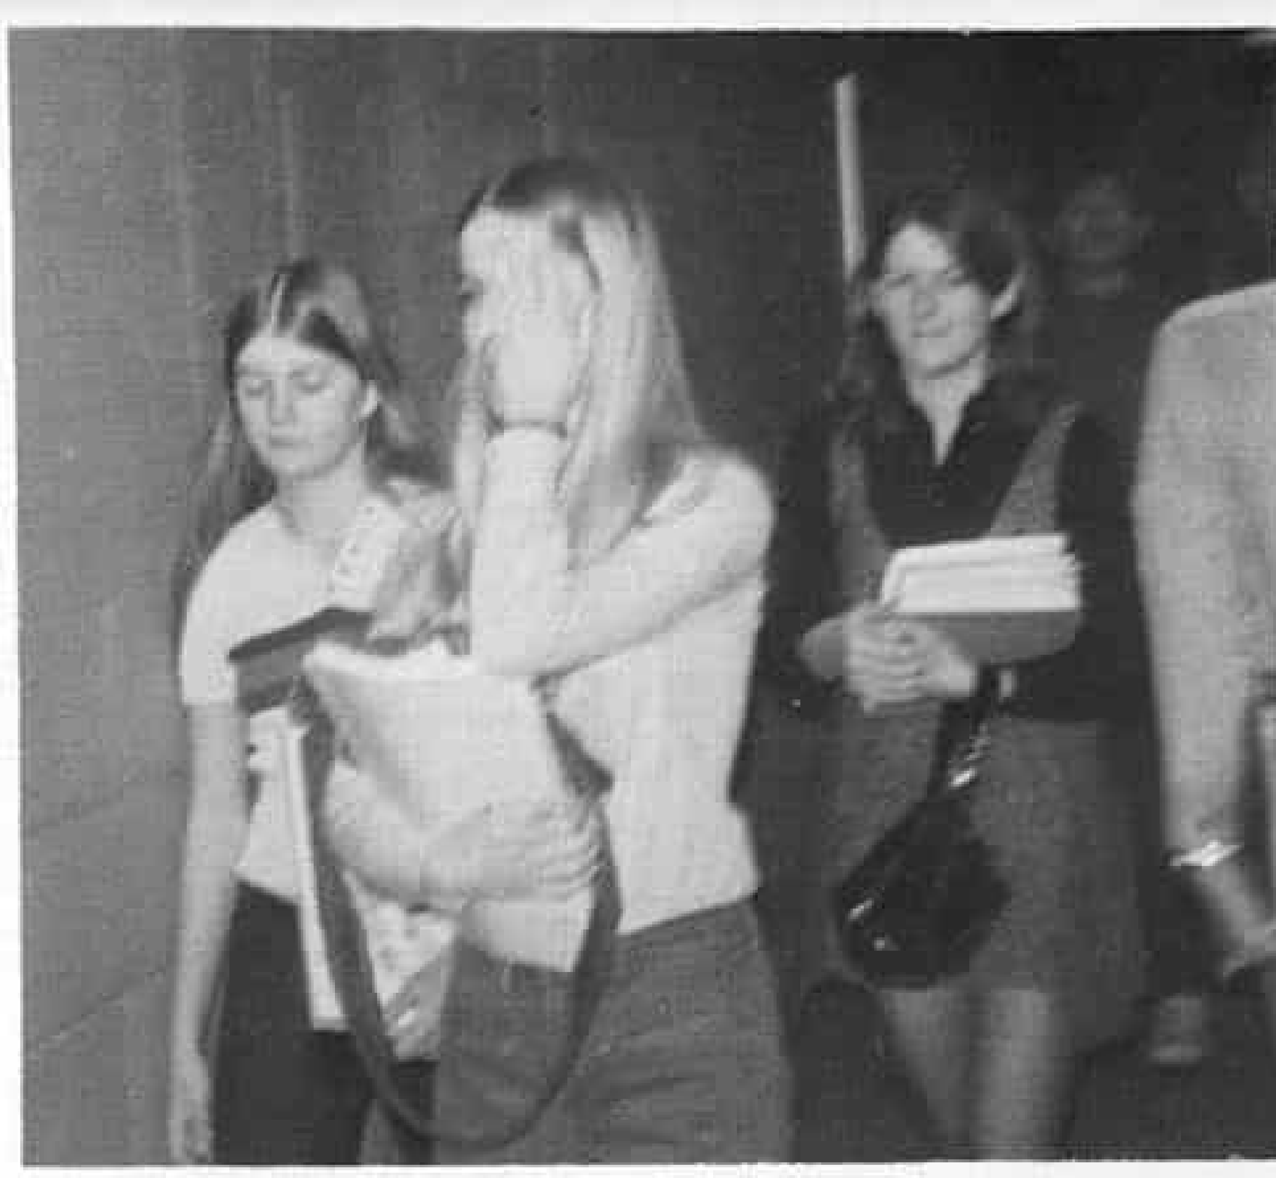

As an official, Mr. Nadin attended the Opening Ceremonies at the Makomanai Speed Skating Rink. Following are some of Mr. Nadin's comments concerning the Olympic Games. "From the moment the first athlete entered the stadium for the Opening Ceremony to the singing of the "Farewell Song" at the closing ceremony, an air of electricity prevailed throughout the Olympic, villages, and surrounding area. I found the beauty of the 800 young skaters at the Opening Ceremony releasing over 30,000 balloons to the sadness of seeing the Sacred Olympic Fire gradually being extinguished at the closing ceremony a sight impossible to describe. A person had to be there to obtain these feelings".

The official emblem for these games was divided into three part: "Hinomaru" Japan's National Flag, the "First Snow" in the middle, and the Olympic Emblem.

PETTIE TAKES IT ALL OFF...

For this year's United Appeal Drive, the Student's Council sponsored a show of Women's clothing with the help of some of our Senior Football players.

There were some problems to be reckoned with two weeks before the show, such as getting a bra to fit Fred Pariselli's mighty chest, and wigs longer than the boys' own hair, and stuffing and stuffing and stuffing. My thanks to the people who donated the above, especially Mr. Crepp's wife. I also extend my apologies to the girls who were approached by the boys and asked if they would lend their bras. I hope things weren't too embarrassing but judging from the stories which the boys told, tell me there were a few red-faced females cursing my name ...

The day of the show everyone was nervous and excited. We had three bras to go around a group of eight fellows. All we needed was a strap to break!

A peek through the curtains, and I saw many more people out there than was expected. The boys fixed up the last minute beauty spots, soft CFRBish music was put on and then someone pulled the curtain. Fred Pariselli opened the show wearing a dazzling hot-pants outfit which consisted of my sweater much too small and much too short and a pair of very tight blue jean shorts adorned with sequins. With some kind of wig, red lipstick and a hanging tummy, Fred not only sent the crowd laughing, but the whole front centre row rolling on the ground.

Rudy Ciotti and Peter Braedel. What a couple!! Rudy wore a girls sailor suit and Peter was decked in a pair of knickers and a Trudeau cap. I think everyone agreed that even with Rudy's terribily hairy legs and Peter's sneaky pinches, there has never been such a cuter couple of sweethearts in the entire history of W.C.I.

As soon as Jim Popofski set foot on the stage, the crowd roared. Wearing a sickly grey wig and a furry white coat which was soon disposed of, he showed off a slinky purple body-suit. He slowly made his way to the front of the stage and turned his back to the audience. As the spotlight shon on him, it dawned that a white W was shining through the seat of his suit. All of a sudden madman Gerry Huges rushed towards Jim from the audience yelling, "I have finally found her!". He stuck his hand down Jim's top and pulled out an apple, eating it as he left the stage, leaving Jim slightly deflated.

Glen Corbett came out wearing a maxi which was really a pleated curtain and a black lace blouse with a zipper down the front. . . .all the way down! He ripped off his skirt to reveal a mini with buttons up the front. . .all the way up. With a wavy shoulder length wig, he looked like a sexy secretary waiting for a break.

Mike DiBaptista was the victim of a disastrous occurence minutes before the show. He was to appear sporting a plain skirt, slim sweater and a bust made of two balloons. As he walked, he was to burst one balloon with a pin. But as it happened, ten minutes beforehand, the guys were horsing around backstage with the balloons and both of them broke. Just in the nick of time Gary Gander walked in backstage. We gave him keys, a car, and money, and sent him to get the balloons. The show had to go on. Placing Mike near the end, we hoped Gary would be back in time. Gary was unable to make it back on time so Mike walked out on stage with a very large bust that was made out of a pair of jeans.

Our next model, Julian Backhouse came on stage as a ballerina, but a very pregnant one. Anybody who knows Julian can imagine the poses he used.

Les Dodman was 1971's Football Player's Dream. He wore a long plaid skirt, a hand knitted sweater and bobby socks. He was typical beauty from the olden days.

Can you imagine Jim Pettie doing a striptease? He certainly has the knack for it. Starting with a stole and gloves, he ended up with a bra and a pair of cheerleading bloomers on. You had to see it to believe it!

The show ended up with some of the boys doing the Weston cheer and Firecracker, Firecracker.

Mr. Crepp deserves our thanks for his enthusiasm and support as well as Debby Watkins for her ideas and her help with make-up. I would like to thank the guys for being so co-operative. You were fantastic!

THE DIAL STORY

Last fall the Conning Tower staff received a letter from the advertising agency for Canada Packers Ltd. They stated that they would purchase the space for a full-page advertisement in our yearbook, provided a student from the school designed the copy and layout for the ad. The product featured, was to be Dial Soap. This invitation was extended to a number of schools in Metro. As an added incentive, the school that created the advertisement, judged to be the best of all those submitted, would be awarded a cash prize.

A contest was therefore held in the school. By the process of elimination the entries were cut down to 12. Mr. D'Angelo, Mr. Choat and the students of the Commercial Art class then picked the best one which is displayed on the opposite page. It was designed by Pat LaChappelle, grade 12.

FIELD TRIPS

Albion Hills

York University

The grade 12 students were taken on a field trip to York University, on November 1, 1971. Our first stop was Glendon College where we were taken on a student-guided tour around the campus which was reminiscent of a small town university set among pleasant landscaping and low rise buildings.

We left Glendon Campus and headed for York University's Steele Campus which rested in sharp contrast to Glendon, with modern high rise lecture halls.

We were taken to one of the halls where we were split into two groups. One group toured the university while the other remained to have any questions answered regarding admissions and courses.

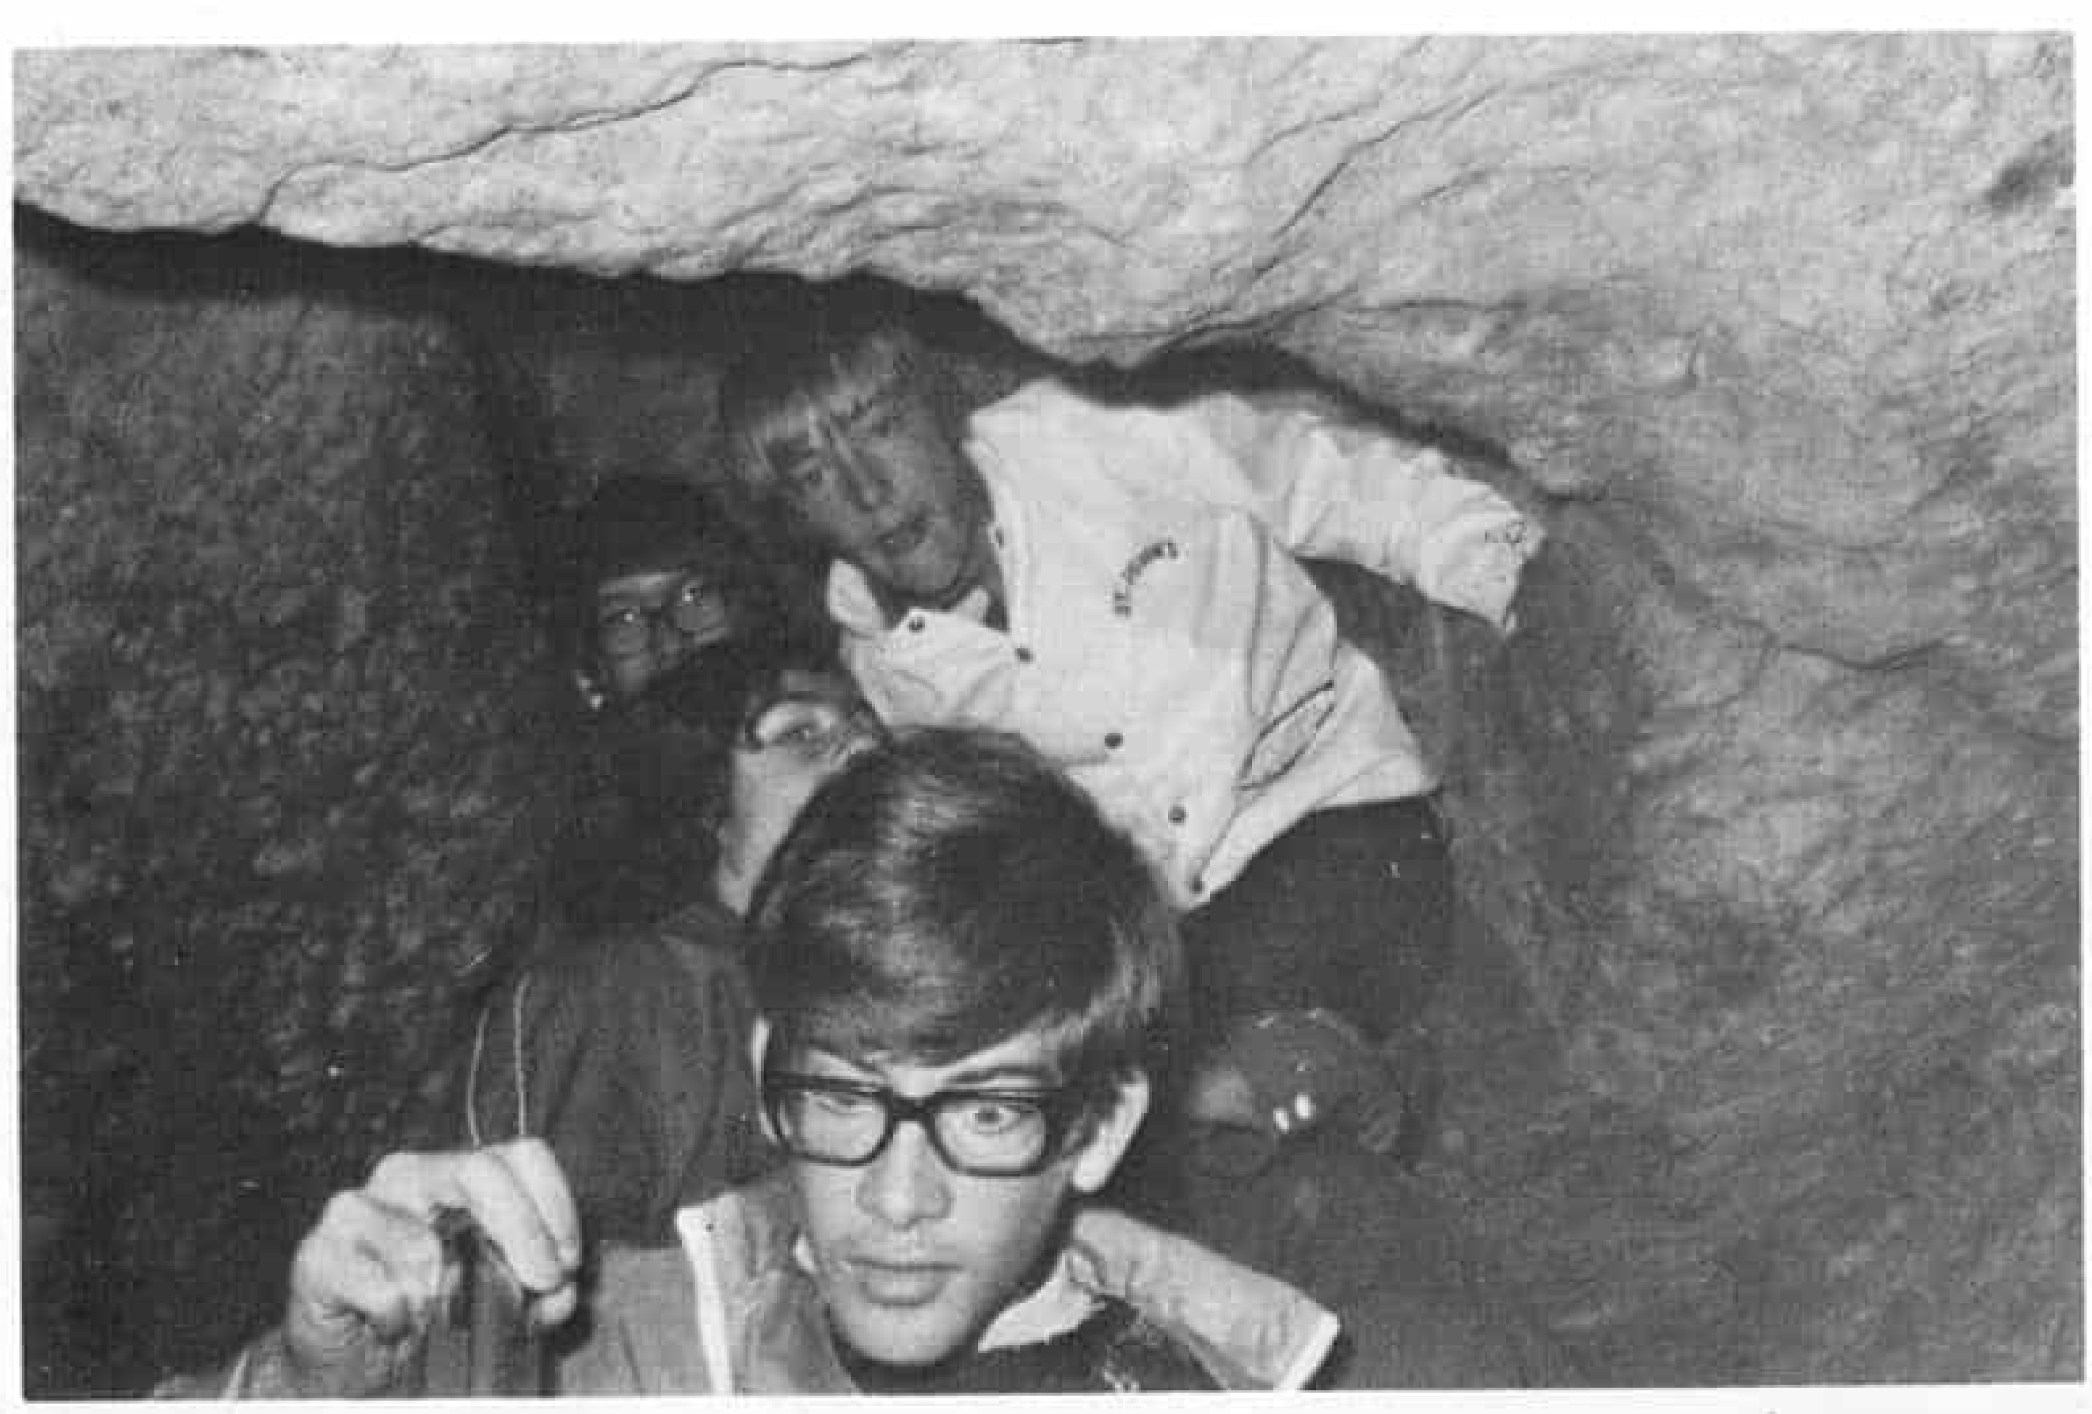

Following this, we toured the university on our own to observe for ourselves what university life was like.

Peterborough

On October 19th, about 200 grade ten geography students assembled outside the school. The trip was scheduled to tour the geographical regions of Southern Ontario.

The trip turned out to be more than anyone had anticipated. Starting from the discovery of an old raft which resulted in free swimming for anyone who dared, to the unsatisfactory roll calls, all added to the excitement of the day.

The trip was fun, educational, and nerve-wrecking (for teachers).

UNITED APPEAL DRIVE

"Sharing is caring!" This was the United Appeal slogan for 1971, and at Weston Collegiate we showed that we do care! The month long campaign raised over eleven hundred dollars to help, where help was certainly needed.

We held our regular activities such as the Teacher's Tricycle Race, the Pancake Breakfast, and Casino Night, all of which were highly successful, and to this we added several new ideas. To open the campaign we had a raffle for a Ten-speed bicycle, which, much to his delight, was won by Mr. Mile. In honour of the occasion he gave us a demonstration run through the parking lot. On November 3rd we held a Card Night for the parents, featuring a penny auction and several door prizes, the biggest being a pair of Ski Boots.

The Houses also deserve credit for some determined campaigns which really paid off.

We closed the campaign on November 5th with the traditional United Appeal dance featuring a great group, "Sun".

All in all this year's campaign was certainly an exciting and rewarding one for Weston C.I.

BARN DANCE

Houses two and eight sponsored a Barn Dance on October 30th. The cafeteria was decorated with blades of hay and pumpkins which added to the theme of the dance. "Track" played the music and the "Scums" provided the entertainment.

The boys put on their best lookin' bluejeans and the girls spruced up their pigtails to come to W.C.I. first Barn Dance.

UNITED APPEAL DANCE

The United Appeal Dance was a real success. The group "Sun" attracted quite a few people and the profit of $114.00 made a good contribution to the U.A. fund.

CHRISTMAS DANCE

Dear Students of W.C.I.

I had a wonderful time at your Christmas dance on December 18, 1971. I was glad to get away from the last minute packing and hammering at the workshop. The group "Breathless' was very good, and the decorations were lovely. I hope you enjoyed the candy canes I brought.

SADIE HAWKINS DANCE

"Howdy folks. This is your roamin' reporter speakin' to you from Weston Collegiate's Sadie Hawkins dance. Marrin' Sam (Les Dodman) and marrin' Saddie (Corrie Yeoman) are hard at work joinin' all those couples in Holy Matrimony. Those newlyweds look cuter than a bugs' ear. The group "Chug" have been playin' real fine music all night. Judgin' from the attendance it looks like we just might turn over a whoppin' big profit."

TEACHERS' CHRISTMAS ASSEMBLY

As usual, the teachers pulled through with a terrific Christmas show. This year's theme seemed to be what teachers think of classroom behaviour. It proved realistic, right from the P.A. system breaking in with numerous announcements to the reference of our aspirin-giving nurse.

The assembly ended with the ringing of Christmas Carols which started the Festive Season at W.C.I.

OKLAHOMA is a folk story. The hero is Curly, a cowboy and the heroine, Laurey, a farm girl. Laurey and Curly hide their affection for each other beneath a bantering pretense of indifference. The main plot revolves around Laurey's uncertainty of her love for Curly and her fear of Jud Fry, a rough and surly farmhand who has a dangerous yearning for Laurey. A humorous sub-plot added to the play involves a young lady, Ado Annie, and her amorous experiences. But, so as not to take away from this delightful play we'll not disclose any of the actual plot or the ending. We hope you will enjoy Weston Collegiate's presentation of Rodgers and Hammerstein's famous, OKLAHOMA!

THE MATH FACTORY

This year was the first for a Math Club in WCI. We have had an excellent turnout, which has pleased our staff advisor Mr. Komlos. The meetings are held every Monday and most of our members turn up faithfully.

At the beginning of the year we hald a contest for a name for the Math Club. Rick Brewer came up with the winning name "The Math Factory".

We are looking forward to a prosperous year next year and we hope that more students will come out.

Weston's Math Contest Winners:
1st—Paul Kelly, 2nd—Ian Young, 3rd— Larry Funnell.

STUDENT COUNCIL

This was the year that marked the ending of the autonomous house systems, and the beginning of a more centralized and actively involved student council. We were very pleased to see that students of W.C.I. enthusiastically supported all drives and dances sponsored by the student council. The United Appeal funds raised, for example, were the highest for the entire borough! The council meetings provide an atmosphere of co-operation between junior and senior students and a forum for student opinion and discussion. Council representatives were accessible to discuss problems relating to the school, or to suggest methods of improving school life and extra curricular activities. A special word of thanks must be extended to Mr. Chong and Mr. White for their assistance and patience throughout the year. Lastly, a word of luck to next year's council.

I'm fifteen
and old,
and sophisticated,
and I don't play foolish games
but when I saw the pile of big
leaves
I lost control,
I laughed,
I screamed and kept on
running in again,
and again,
and everyone looked at me,
"how strange" they thought,
but I didn't care,
the beautiful colours,
red, yellow, gold-nothing could bother me
I stepped on the hard leaves,
crushed them up,
and jumped one more time.
but as soon as I jumped,
I stood up,
looked around,
and around,
I picked the leaves,
one,
by,
one,
from me,
and walked down the street,
I passed some 5 or 6
year olds
playing in leaves,
laughing and screaming,
"ha" I thought,
I'm fifteen,
and old,
and sophisticated,
and I don't play foolish games.

Ann Widdifield: 21

it's funny how when
i'm all by myself
and there's a lot of
leaves
on the side of my street
i kind of forget there's a history essay to be done
and science to look over . . . .
and all the facts and dates fall
one
by
one
onto the street
and i laugh at them all behind me.

i take baby steps through
the red and yellow
piles
and on every third step
i kick my foot up
and send them all flying
trying to set more free in the air
than the last two steps and a kick.
every leaf i teach to fly
trickles back down in front of me
and reminds me of some feeling;
and as my kicks get higher
and higher
more and more leaves fly
and i remember more and more . . . !
They all hurl at me
smashing and hitting my head
and it feels so good
that i wish my street were two miles longer and
were covered with two more million leaves . . . .
And there's my house
ten steps and four kicks down
i stop and turn around
and go back to where i left my head.
i picked it up and go
home
to eat supper.

VALEDICTORY ADDRESS

OCTOBER 29, 1971

The Roman statesman Cicero somewhere defines the perfect orator as one

"qui dicendo animos audientium
et docet et delectat et permovet."

which is to say: the perfect orator is one, "who, in addressing the hearts and minds of his hearers at one and the same time teaches, delights, and persuades."

But, if I may paraphrase the greatest master of the English tongue, William Shakespeare:

"I am no orator as Cicero is
But as you all know me, a plain, blunt man."

So with such poor words as I have been taught to use, aided by my natural plainness and bluntness, I address myself to the task you have invested in me.

*****

It may be said that some students play their way through school (you will find them everywhere except the classroom - on the playing field, track, in the pool - exercising their muscles but not, I fear, their minds!).

There are some students who laze their way through school (and in the final analysis these may be the wisest of all!).

There are a few students who by dint of hard work win their way through school. (We are all here tonight, and we know who we are!)

*****

The Western community has through the years seen the founding of Victoria College, Trinity College school, as well as the forerunner of our own Collegiate, Weston Grammar School.

And the continuing interest of the community is evidenced in the large number of prizes and scholarships being awarded at this ceremony tonight. (editor's note: see page 95)

Furthermore, current murmurings and occasional outbursts of protest against recent changes in the Collegiate's "modus vivendi" clearly show that the community still has the interest of its educational establishments at heart.

*****

Martin Buber, to my mind, puts his finger on the spot when speaking of contemporary changes in education, he says:

"The symbol of the funnel is in course
of being exchanged for that of the pump."

That is to say, whereas in the past facts were fed into pupils with little or no consideration for the pupils themselves; now the pupils are so highly regarded that they are expected to produce out of themselves motives, methods, and meanings, that will provide an internally-generated process of education.

Stated in this way it is clear that neither method - neither that of the funnel nor that of the pump - can serve, of itself, as an effective instrument of education. And when one of the enthusiasts of modern laissez-faire education goes so far as to say that: (I quote)

"School should be a great smorgåsbord of
intellectual, artistic, creative and athletic
activity from which each child could take
whatsoever he wanted - or as little!" (unquote).

I think he has been carried away with his own eloquence. He is guilty of shooting into his system too much of the romanticism of Jean Jacques Rousseau and too little of the realism of Hiroshima and the imminent ecological bankruptcy of Man's current technological madness.

But back to earth. For five of our most impressionable years we have sought refreshment and satisfaction from the fountain of knowledge in this place.

*****

But whatever changes the years may bring, the essentials of education are timeless.

So let me express, as indeed I must, my own and my fellow student's appreciation of all that Weston Collegiate, both old and new, has been to us, and has given us, during these five years.

Here we have sat at the feet of those wiser and better than ourselves.

Here we have walked the corridors of power (for as Francis Bacon said years ago "Knowledge is Power").

Here we have talked of the world and dialogued our way into wonderful schemes for setting its wrongs to right and bringing balm to all its ills.

Here we have made friendships, among both students and staff, that will not wither but will grow stronger through the years.

Here we have grown and developed both physically and mentally.

Here we have fought with failure and found the will to succeed.

Here we have received far more than we are capable of giving, or can be expected to give.

For all these reasons, and for many more that defy cataloguing, we tonight express a deep and sincere gratitude.

Being at Weston has been an experience deeper than we can fathom. We owe to this Collegiate a debt we can never repay. But it is a debt we can and will proudly shoulder by seeking to be worthy upholders of its traditions, and by showing ourselves to be among the finest of its products.

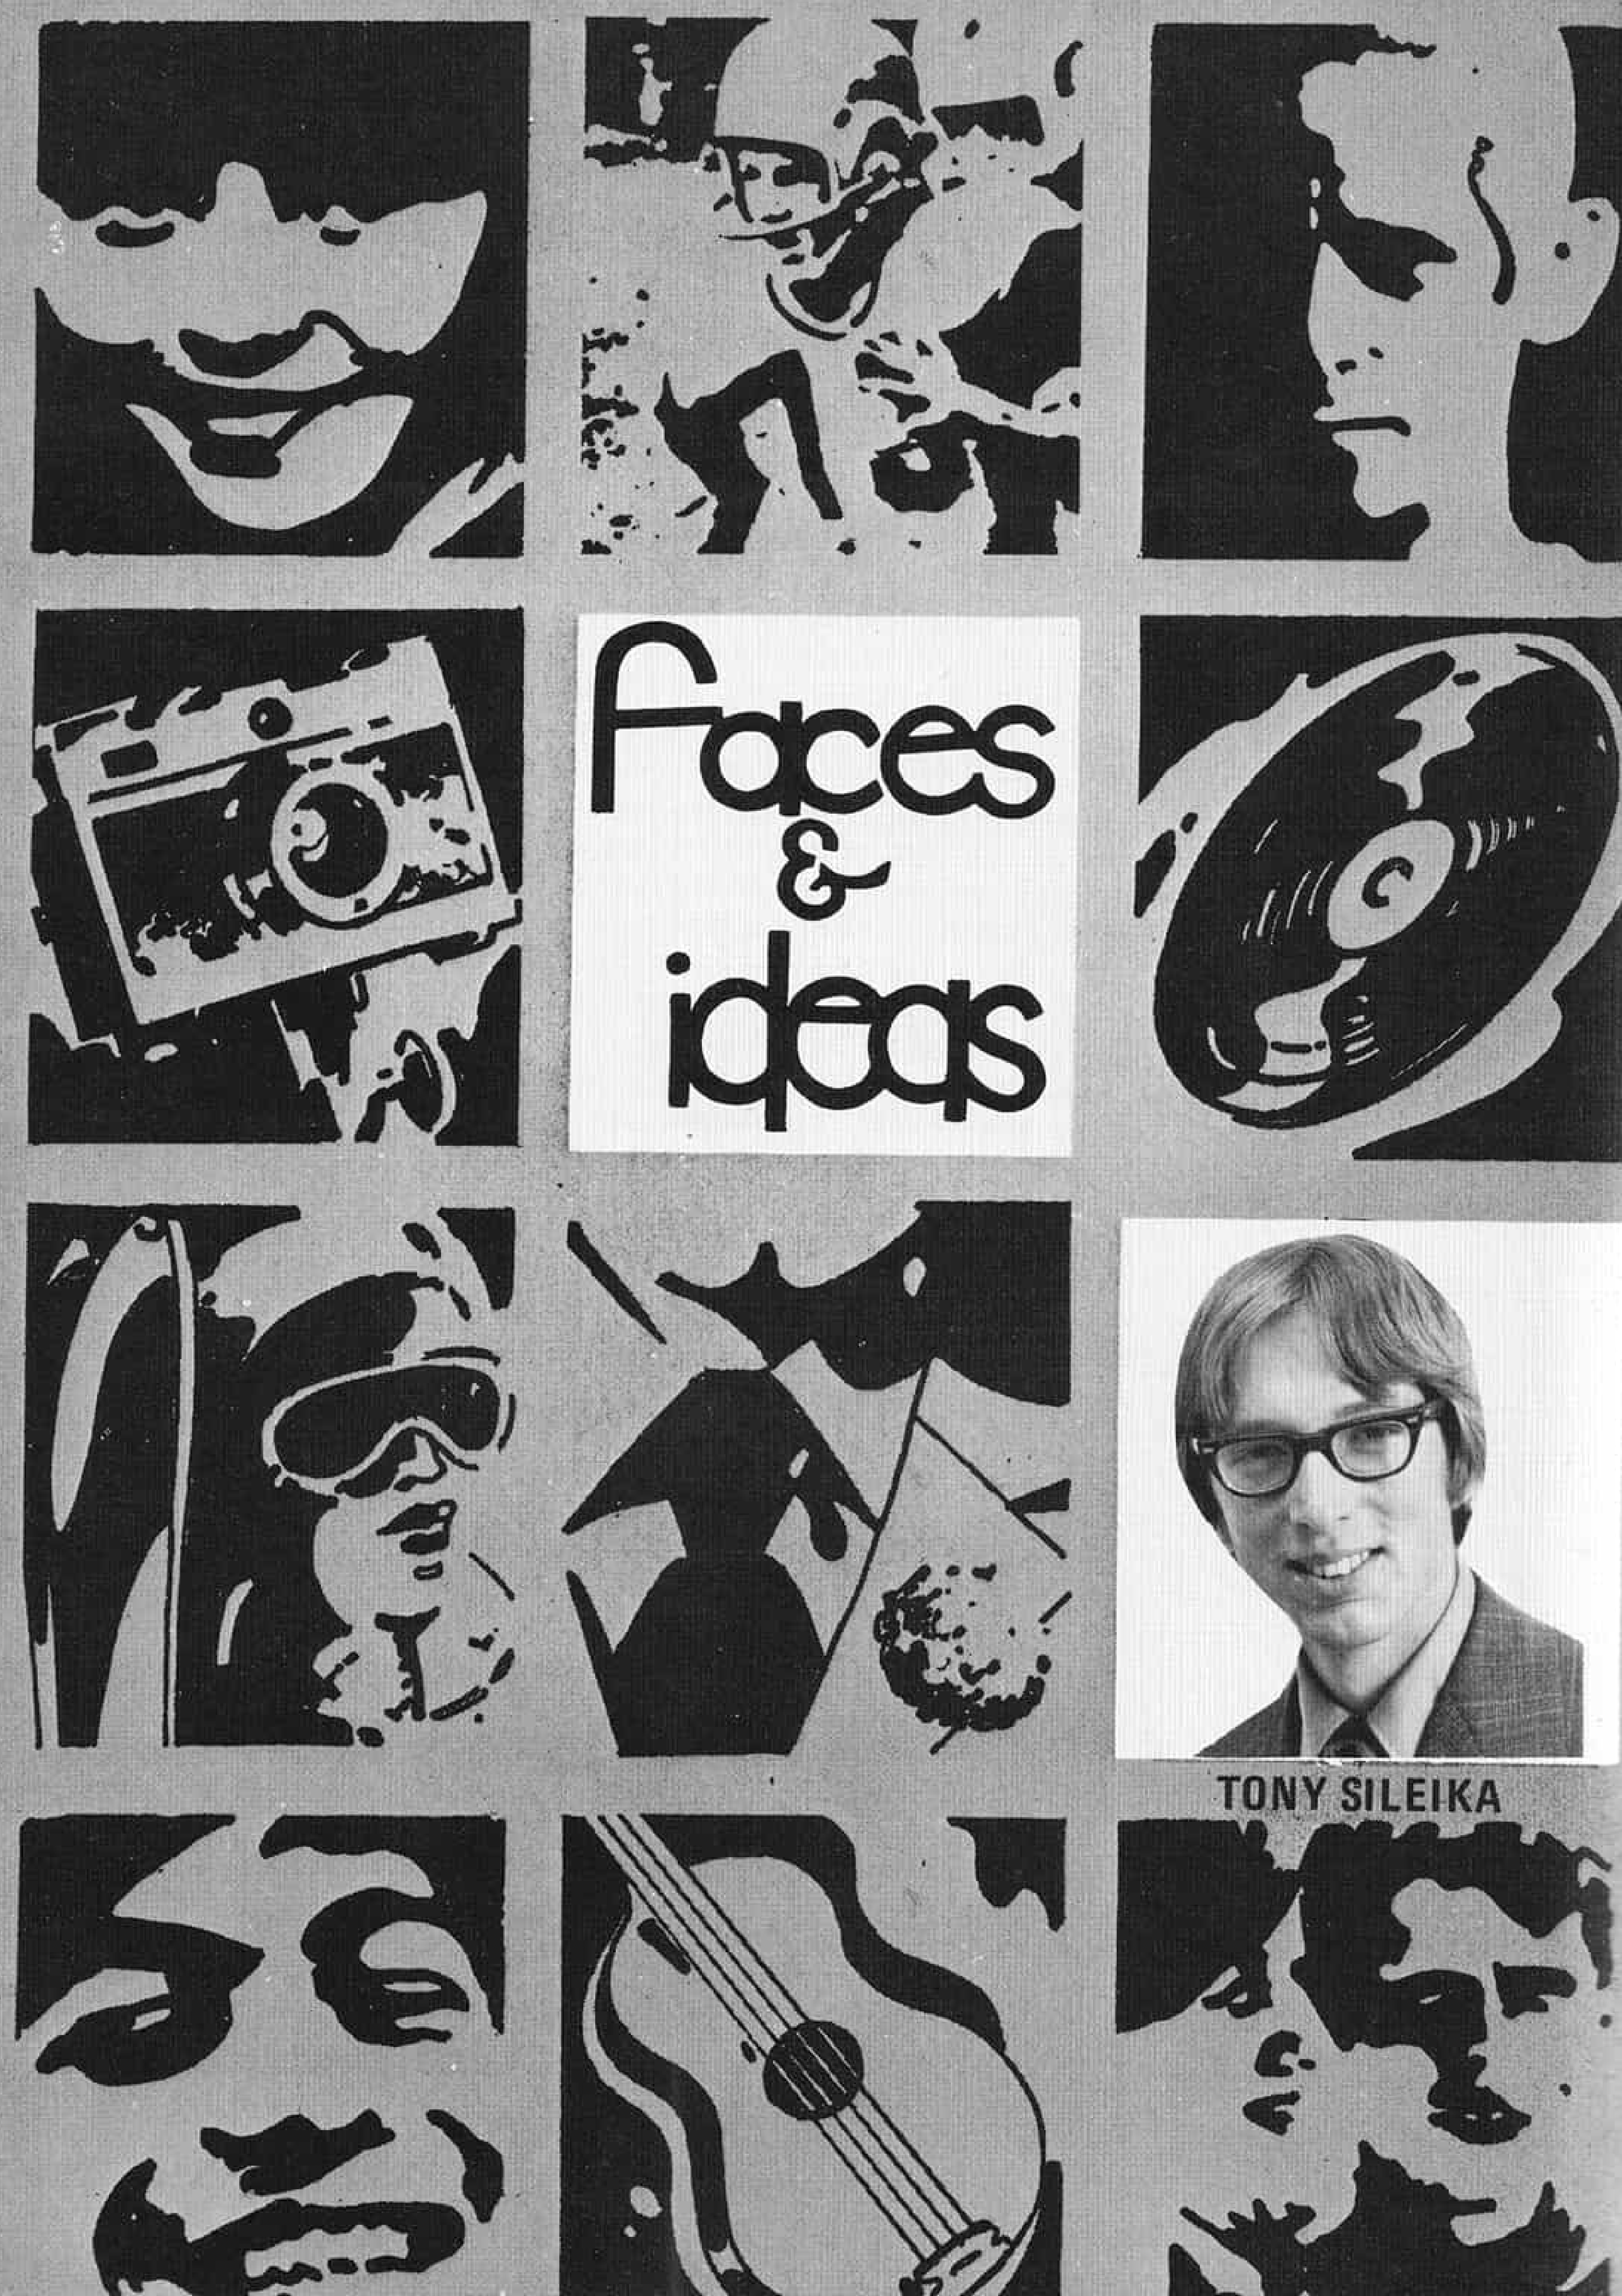

We have been helped on our way by those teachers to who we have first of all been persons, and not just pupils providing a means of livelihood. We have been given the opportunity to better ourselves educationally and that is of prime importance. As in life itself, one gets out of education what one puts into it. Perhaps the best lesson we have learned in these 5 years is that education is a privilege and not a right.

Finally, I would speak a word directly to my fellow students. Tonight marks a plateau in our career. We have attained a goal. Let us have a little faith in, and hope for, the future. As we go on to attain our higher goals let us have the grace to remember those who have made it possible for us to get thus far; and realize we are free to go farther because they have brought us to this point.

And as we go forward to those distant goals I wish each and every one of you every possible success in all you undertake.
